of Transportation

Public Input Form

For the Permian Basin MPO Metropolitan Planning Certification Review

Purpose: The following public input form will be used by the Federal Highway Administration (FHWA) and the Federal Transit Administration (FTA Region 6) as part of their formal certification review of the transportation planning process in the Permian Basin Metropolitan Planning Area.

The transportation planning process is conducted by the Permian Basin Metropolitan Planning Organization (MPO), the Texas Department of Transportation, FTA, FHWA, as well as other planning partners within the region.

The FHWA/FTA joint planning certification review is conducted every four (4) years for large metropolitan areas under 23 CFR 450. On behalf of the U.S. Department of Transportation and the FHWA/FTA planning partners we welcome your timely input and thank you in advance for your assistance in this effort!

Q1) Are you aware of the roles and responsibilities of a metropolitan planning organization? (Y/N)

If you answered **“No”** to the question above then please go to Question #2, else if you answered **“Yes”** to the question above, do you think the MPO is doing an overall good job of providing the public with a reasonable opportunity to provide input and participate as part of the transportation planning process? (Please use specific details/examples, if possible. Use additional space, if required.)

U.S. Department
of Transportation

Q2) Would you like to find out more about the transportation planning issues and concerns within the Permian Basin MPO region, or would you like to present your ideas and concerns on this subject in person? If so, please feel welcome to attend the Federal Highway Administration and Federal Transit Administration's public Roundtable listening session at the following location, time, and date (see next page). You may also provide any additional planning-related comments/issues here:

**Midland-Odessa Urban Transit District
(EZ-Rider) Conference Room #1
10300 Younger Road, Midland, TX 79706**

**Time of Public Roundtable Listening Session:
5:00-7:00 pm (Central Time)**

**Date of Public Roundtable Listening Session:
February 26, 2020**

You may mail (or e-mail) your written response on how well you think the transportation planning process is working in the Permian Basin MPO metropolitan planning area from now until the cutoff deadline of COB March 13, 2020 to one of the two federal contact persons listed below:

Federal Highway Administration Texas Division
